The Great Fairway Pancake Race!

A huge thank you to all of you who supported this super event that took place on Tuesday 5th March! The day was kicked off with a visit from the gymnast 'Chloe Webb' who opened our new 'Daily Mile' track. Then throughout the day all of the children ran 1 mile, 10 laps around the track before being rewarded with a pancake donated to the school by the PTA. At the end of the day there was a huge turnout of parents and family members who then eagerly ran or walked around the track with their children! The PTA ran stalls and closed the event by calling the raffle and Teddy Naming.

I would like to take this opportunity to thank everyone who helped support this event by donating money, helping run a stall and came to see what the Daily Mile is and how it supports your children every day! Because of you we raised a whopping £1054

The money raised is going to be spent on developing our new 'Green Area'. We would like to buy a set of Skittles, New Age Kurling set, Boccia set and Tin Can Alley. All of which will support your child's fitness and activity during playtime and lunchtime.

Please look out for an article in the Crawley Observer and East Grinstead Courier in the coming weeks! Thank you once again!

YEAR 2 - Competitions and Festivals

When your child is in Year 2 they are offered a number of extra sporting events. These events are set up by Mid Sussex Active and are open to all the schools in our 'EGGS' group. We are able to send a set number of children to each event but as we are able to attend five, there is an opportunity for every child in Year 2 to have the chance to go to at least one each. Your child's class teacher has spoken with your children about which event they would like to go to. These events take place in the spring and summer terms. As your child's competitions or festivals approach you will receive information about them. If you have any questions please come and see me.
